

ÉLÉMENTS IMPORTANTS – AMBASSADEURS MONDIAUX LAUREUS

- Les Laureus Ambassadors forment un groupe restreint de sportives et de sportifs en activité ou ayant cessé la compétition, qui ont réalisé une grande réussite sportive ou apporté une contribution significative à leur sport au cours de leur carrière. Ils sont reconnus comme des role models et des symboles de succès.
- S'y ajoutent des personnalités non sportives mais passionnées par le sport. Tous sont devenus des sources d'inspiration dans leurs propres pays.
- Les Laureus Ambassadors soutiennent le travail des membres de la Laureus World Sports Academy et offrent bénévolement leur temps pour aider la Laureus Sport for Good Foundation, qui utilise la capacité du sport pour répondre aux problèmes sociaux via un ensemble d'initiatives de développement social sur le terrain. A ce jour, la Fondation porte 150 projets dans 34 pays.
- Les Laureus Ambassadors sont invités à participer aux programmes d'action sociale de la Laureus Sport for Good Foundation, à faire part de leur point de vue et de leur expérience. Ils partagent l'idée que le sport a le pouvoir de faire tomber les barrières, rapprocher les gens et améliorer la vie des jeunes à travers le monde.
- Le Laureus Ambassadors programme compte actuellement 150 membres. Les nouveaux ambassadeurs ne sont admis que sur invitation des membres de la Laureus World Sports Academy.
- Le Programme des ambassadeurs Laureus est ouvert à tous les sportifs actifs ou ayant cessé leur activité, à l'inverse de la Laureus World Sports Academy.
